

Student Council Report

Inter-University Visits, Conferences, Olympiads, and MoU Collaborations

Submitted by: Student Council Representative / Vice President, JAIU

Duration: 21 April 2026 – 27 April 2026

Location: Bishkek, Kant, and Tokmok, Kyrgyzstan

Introduction

As a representative and Vice President of the JAIU Student Council, I participated in several academic, research, and student council activities organized by different universities across Kyrgyzstan from 21 April 2026 to 27 April 2026. The purpose of these visits was to strengthen inter-university collaboration, participate in academic competitions and conferences, exchange ideas regarding student council activities, and establish Memorandums of Understanding (MoUs) between student councils.

Detailed Activity Report

21–22 April 2026

Visit to Kyrgyz State Medical Academy (KSMA)

On 21 April 2026, I visited Kyrgyz State Medical Academy as part of the JAIU team to participate in an Inter-University Olympiad.

Day 1 – MCQ Session

The first day of the Olympiad consisted of a Multiple Choice Question (MCQ) examination session, where students from different universities competed academically.

Day 2 – Practical Session at Simulation Centre

On 22 April 2026, the practical session was conducted at the KSMA Simulation Centre. Participants were provided with practical examination tickets from different medical departments, including:

Emergency Medicine

Medicine

Nursing

Pediatrics

Obstetrics and Gynecology

Students were divided into groups of two, and each group was assigned different practical departments for assessment.

Student Council Collaboration and MoU

Following the academic sessions, as a representative of the JAIU Student Council, participated in discussions with the KSMA Student Council regarding the structure and functioning of both

councils. During this visit, an MoU was signed between the JAIU Student Council and the KSMA Student Council to strengthen future collaboration and student engagement activities.

23 April 2026

Visit to International Higher School of Medicine (IHSM) – Eco Conference

On 23 April 2026, attended an Eco Conference Program organized by IHSM. Students from several universities participated in this event.

The conference focused on important environmental issues, including:

Air pollution

Water pollution

Soil pollution

Participants engaged in discussions, question-and-answer sessions, and shared ideas regarding future environmental protection initiatives. The main agenda of the conference was to spread awareness about environmental challenges and encourage collaborative action for sustainable development.

24 April 2026

Visit to International Higher School of Medicine (IHSM)

On 24 April 2026, revisited IHSM upon invitation from the IHSM Student Council.

During this visit:

An MoU was signed between the JAIU Student Council and the IHSM Student Council.

Discussions were held regarding student activities and council operations.

also visited various departments of the university to better understand their academic environment and infrastructure.

25 April 2026

Visit to Kant – Asian International University

On 25 April 2026, visited Asian International University in Kant, Kyrgyzstan, where the SurgX Olympiad was organized.

Several universities participated in this Olympiad, including:

JAIU

KIGMA

RMU

Jalal-Abad State University

Asian International University

Other participating universities

A team from JAIU actively participated in both the practical and MCQ sessions of the Olympiad.

Achievement

JAIU performed exceptionally well and secured 3rd Prize in the competition.

Student Council Collaboration

As Vice President and representative of the JAIU Student Council, signed an MoU between the JAIU Student Council and the Asian International University Student Council to promote future cooperation and academic collaboration.

26 April 2026

Visit to Tokmok – University of South Asia

On 26 April 2026, I visited the University of South Asia in Tokmok.

During the visit:

met with the Student Council representatives.

We discussed the working structure and activities of the JAIU Student Council.

An MoU was signed between the JAIU Student Council and the University of South Asia Student Council.

also toured the university campus and interacted with students and council members.

27 April 2026

Visit to International University of Kyrgyzstan (IUK)

On 27 April 2026, participated in the 6th International Research Conference held at the International University of Kyrgyzstan.

Seminar Presentation

As a representative of JAIU Student Council, delivered a seminar presentation on the topic of:

Air Pollution

Following the presentation, participated in a question-and-answer session with the judges and audience.

Conference Participation

A total of 17 universities participated in the conference. Students presented research on various topics, including:

COPD

Alcohol-related health issues

Other medical and scientific research topics

MoU Signings

After the conference:

An MoU was signed between the JAIU Student Council and the IUK Student Council.

Another MoU was signed between the RMU Student Council and the JAIU Student Council to strengthen academic and student collaboration.

Conclusion

The series of university visits and academic events from 21 April to 27 April 2026 provided valuable opportunities for academic participation, research presentation, inter-university networking, and student council collaboration. Through Olympiads, conferences, seminars, and MoU signings, the JAIU Student Council successfully strengthened relationships with multiple universities across Kyrgyzstan.

These activities contributed to:

Enhancing academic exposure for students

Promoting collaborative learning and research

Building strong inter-university student council relations

Encouraging future educational and cultural partnerships

The experience was highly productive and beneficial for both personal growth and the development of the JAIU Student Council.
