JALAL-ABAD INTERNATIONAL UNIVERSITY

Office of International Relations and Investment

Session Report

2025 – 2026

Reporting period: 1 September 2025 – 30 August 2026

Submitted to the Academic Council under Article 22.3 of the Regulations on the Office of International Relations and Investment

Dr. Dipak Chaulagain, MD, MS, FMAS, PhD

Associate Professor · Vice-Rector for International Relations and Investment

Jalal-Abad, 30 August 2026 · int_relation@jaiu.kg · www.jaiu.kg

00

The session in numbers

Recorded activity of the Office, 1 September 2025 – 30 August 2026

AGREEMENTS SIGNED

14

Uzbekistan · India · Italy · N. Macedonia · Caribbean

DELEGATIONS

25

hosted at JAIU or joined abroad

FMGE / NEXT SESSIONS

16

Sept 2025 – Jan 2026, plus surgery courses in May

EJSMR SEMINARS

5

delivered at five partner universities, April 2026

STAFF PUBLICATIONS

50

recorded for the 2025–26 session

ACCREDITATIONS

3

IAAR programme · GEAC institutional · MoH state

SCHOLARSHIPS

52

awarded June 2026 with the Doing Good Foundation

COUNTRIES ENGAGED

9

KG · UZ · IN · IT · MK · KR · US · UK · Caribbean

USMLE CLUB

1

launched May 2026 for licensing-exam pathways

UNIVERSITY CLINIC

1

SHIFAA opened 5 May 2026

What the year was actually about

Two things dominated the session. First, the university moved from signing memoranda to operating them — mobility to Fergana, seminars delivered at five partner universities, clinical partners converted into a working university hospital. Second, the regulatory environment changed: the August 2025 presidential decree placed medical education under state control, and the Office carried the international side of three separate accreditation processes inside one academic year.

Counts are of events documented on jaiu.kg and in the Office's mid-year progress report; the underlying log appears in the accompanying report document.

00

How this report is organised

By the seven functions of the Office — Article 5 of the Regulations, effective 1 September 2025

F1 — **Partnership development and MOU management**
14 agreements · partner register · joint programmes

F2 — **Erasmus+ and academic mobility**
Information Day, inbound and outbound mobility, guest lectures

F3 — **International student recruitment and services**
Agents, admissions, parents, adaptation, safety, scholarships

F4 — **Rankings, accreditation and quality**
IAAR, GEAC, state accreditation, AMSE and AMEE membership

F5 — **Investment coordination and infrastructure**
SHIFAA clinic, simulation and anatomy equipment, Korean partners

F6 — **Branding, digital presence and publications**
EJSMR, indexing, research club, website and social channels

F7 — **Cultural events and community engagement**
Language days, Garba, Nooruz, Holi, health camps, ceremonies

Fergana, 18–19 November 2025 — cooperation agreements signed with CAMU

International programme accreditation certificate, December 2025

F1

Partnerships — September to January

From first contact to signature: seven agreements concluded in the first half of the session

26 SEP 2025

Delegation from Uzbekistan signs agreement at JAIU

Joint educational programmes, exchange of experience, institutional partnership.

30 OCT 2025

MoU with Sehat Multispeciality Clinic, New Delhi

Academic and clinical cooperation; exchange of treatment methods; student and faculty opportunities.

14 NOV 2025

EJSMR and Eurac Research (Bolzano, Italy)

Exchange of authors and reviewers, joint special issues, joint conferences and mutual promotion.

18–19 NOV 2025

Central Asian Medical University, Fergana

Agreements on medical education, academic mobility and joint scientific projects, signed during the conference “Reforms in Medicine — For the Sake of Human Dignity”.

17 DEC 2025

JR International Education Consultant, India

Exclusive recruitment partner for the North-Eastern states; admissions, counselling and pre-departure support.

9 & 14 JAN 2026

Arise Medical Academy and DocTutorials

Two FMGE/NExT preparation partnerships — one classroom-based in India, one digital.

26 Sep 2025 · Uzbekistan

30 Oct 2025 · Sehat, New Delhi

14 Nov 2025 · EJSMR × Eurac

17 Dec 2025 · JR International

9 Jan 2026 · Arise Academy

14 Jan 2026 · DocTutorials

F1

Partnerships — February to August

Seven further agreements, and the first move into Europe and the Caribbean

27 FEB / 12 MAR

Memoranda with Caribbean medical universities

Three institutions; opens the double-degree pathway in Medicine that the Work Plan set as a flagship objective.

11 APR 2026

Cooperation agreement with the Mayor's Office of Manas

Free medical education places for graduates of Manas city schools — the Office's first municipal agreement.

17–18 APR 2026

International Vision University, North Macedonia

A delegation visit followed by two memoranda on the same day: one institutional, one between the two universities' academic journals. JAIU's first European university partnership.

18 MAY 2026

BLK-MAX Hospital, India

Signed by the University Hospital — clinical training and referral cooperation with one of India's larger private hospital groups.

FEB & MAY 2026

Republic of Korea — two engagements

An official delegation to Shifa International Hospital in February, and SeohanCare (implantology technologies) in May, represented by Director of International Sales Kwon Youngho.

The Fergana signing of November 2025 set the template the Caribbean and Vision agreements followed

PARTNER PORTFOLIO AT 30 AUGUST 2026

Kyrgyzstan	OshSU · OSHIMU · KUIU · Manas Mayor's Office
Uzbekistan	CAMU Fergana · Chinor Medical Centre · Bukhara
India	Sehat Clinic · BLK-MAX · JR International · Arise · DocTutorials · Prepladder
Italy	Eurac Research (journal partnership)
North Macedonia	International Vision University (×2)
Korea	SeohanCare · state delegation
Caribbean	Three medical universities (double-degree track)

Sources: jaiu.kg news portal, entries of 27.02, 12.03, 11.04, 17.04, 18.04, 18.05, 02.02 and 26.05.2026.

F2

Erasmus+ and academic mobility

The year mobility stopped being a policy document and became journeys

23 OCT 2025

Inbound teaching mobility from Osh State University

Associate Professors Jamila Umetova and Guljamal Subanova delivered classes, seminars and masterclasses in Obstetrics and Gynaecology.

14 NOV 2025

OSHIMU delegation studies JAIU's OSCE model

President Zh. K. Muratov and university leadership examined the organisation of OSCE/OSPE; joint training and workshops agreed.

18 DEC 2025

Erasmus+ Information Day, Osh State University

Organised by the EU Delegation to the Kyrgyz Republic and the Erasmus+ National Office. Programme priorities and application procedures for Erasmus+ 2021–2027.

10 APR 2026

Outbound student mobility to Fergana

Delegation led by Vice-Rector Tashieva G.S. with students Tayawade Devarshi Vishweshwar and Paswan Sandeep Harishchandra to Central Asian Medical University.

3 APR 2026

Osh State University Medical Faculty delegation at JAIU

Continuation of the reciprocal relationship opened by the October teaching visit.

Erasmus+ status: institutional preparation complete; formal application targeted for the 2026–27 cycle.

18 December 2025 — Erasmus+ Information Day, Osh

OshSU teaching mobility at JAIU

OSHIMU delegation on OSCE organisation

F3

International recruitment and admissions

Agent network, direct engagement with families, and compliance with NMC expectations

16 Dec 2025 · Admission partners from Delhi review the admission process

25 Sep 2025 · Mr Susmith V Anand, Second Secretary (Consular), Embassy of India

6 Dec 2025 · Online meeting with parents and partners in India

16 DEC 2025

Admission partners from Delhi visit the campus

Reviewed classes, infrastructure and clinical training; confirmed alignment of the admission process with NMC standards.

14 APR · 5 MAY 26

Two stakeholder meetings with India

The May meeting, led by Dr Sandeep Sharma, brought together medical education, healthcare, pharmaceutical and education-management representatives with the Rector, Vice-Rector for Academic Affairs and the Dean.

28 APR 2026

Parents of a medical student visit from India

Direct family engagement — now a standing part of the admissions and retention cycle.

8 SEP & 22 JUN

Parents' meetings at the Dean's Office

Opened and closed the session; feedback on academic performance and learning conditions.

23 APR 2026

Online meeting with alumni in India

Focused on improving academic programmes and the professional integration of graduates.

23 MAR 2026

Road-safety seminar for foreign students

Part of the standing welfare and adaptation programme for international students.

F3

Licensing-exam pathways — the single largest workstream

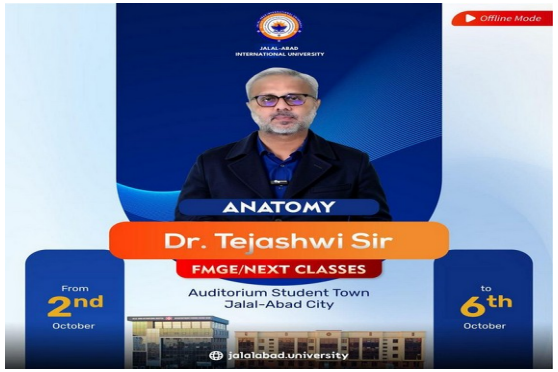

FMGE / NExT for the Indian market, and the launch of the USMLE Club

16 preparation sessions between September 2025 and January 2026

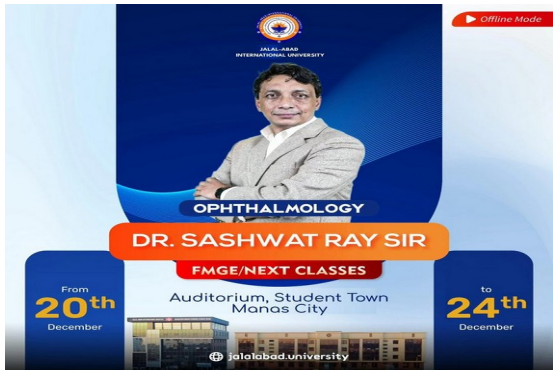

Pharmacology · Anatomy (×2) · Biochemistry · Pathology · Gynaecology (×2) · Psychiatry · Microbiology · Ophthalmology · ENT · Mountain medicine

2 Sep 2025	Dr Siraj Ahmad — Pharmacology
6 Sep 2025	Dr Kamal KV
16 Sep 2025	Dr Naveen Porwal
22 Sep 2025	Dr Priyansh Jain — Biochemistry
2 Oct 2025	Dr Tejashwi — Anatomy
21 Oct 2025	Dr Azam — Anatomy
26 Oct 2025	Dr Aman Setiya — Pathology
12 Nov 2025	Martin Klotz & Gunther Cologna — Mountain medicine
13 Nov 2025	Dr Sakshi Arora Hans — Gynaecology
4 Dec 2025	Dr Prassan Vij — Gynaecology
8 Dec 2025	Dr M. Nadeem Zafar — Psychiatry
14 Dec 2025	Dr Sonu Panwar — Microbiology
20 Dec 2025	Dr Sashwat Ray — Ophthalmology
14 Jan 2026	Dr Rajiv Dhawan — ENT
22 & 29 May 2026	Dr Pritesh Kumar — Surgery (FMGE and NExT)

16 May 2026 — USMLE Club launched

An initiative of this Office to support students preparing for the United States licensing examinations and to build academic and clinical competencies. Complements the FMGE/NExT track for the Indian market and the PLAB pathway.

F4

Accreditation, quality and recognition

Three separate processes concluded inside one academic session

December 2025 — international programme accreditation certificate

25 DEC 2025

International programme accreditation certificate received

Confirms compliance with the academic and administrative criteria of the international standards, and completes the process opened in 2025.

26–27 APR 2026

GEAC expert panel conducts the institutional visit

A two-day evaluation by Mr Aryan (UK) and Ms Aino (USA), engaging students, faculty and university leadership.

16 MAY 2026

GEAC institutional accreditation granted for 2026–2033

Covers educational activity, the internal quality assurance system, teaching conditions, material and technical resources and the level of specialist training.

8 JUN 2026

State accreditation of the General Medicine programmes

Both the five-year and six-year tracks confirmed against the unified national requirements introduced in 2026.

Advice to the Academic Council on how these are described

Three points require correction in our public materials before the next external review. The General Medical Council of the United Kingdom does not accredit or approve overseas medical schools, and our accreditation page should not say that it does. AAOPO is the Kyrgyz Agency for Accreditation of Educational Programmes and Organisations, not an Asian association. GEAC is a private United States body that appears on neither the CHEA nor the US Department of Education rosters, nor on the WFME list — it should be reported as an institutional quality review, not as a substitute for WFME-recognised accreditation. What genuinely carries weight for our students is already secured: the World Directory listing (FAIMER ID F0008943) with an ECFMG sponsor note and a Medical Council of Canada note.

F5

Investment and infrastructure

The clinic the Office had been contracting for since 2024 opened this session

5 May 2026 — SHIFAA International Clinic opened

The multidisciplinary university hospital moves JAIU from partner-hospital agreements to an owned clinical base — the single most consequential infrastructure outcome of the session, and a direct requirement of the state accreditation criteria for non-state medical universities.

2 FEB 2026

Korean delegation at Shifa International Hospital

Received by the Rector, this Office and the hospital director; healthcare and medical education cooperation.

26 MAY 2026

SeohanCare (Republic of Korea)

Implantology technologies; working meeting with Director of International Sales Kwon Youngho.

26 MAR 2026

3D “Pirogov” anatomy table introduced

Digital anatomy capability supporting both teaching and the OSCE/OSPE assessment programme.

18 MAY 2026

Health, Care and Leadership Day

Free medical camp run by the University Clinic with international partners — the clinic's first large community engagement.

Student Town campus, Manas — the site of the university hospital

PHOTOGRAPH TO INSERT

SHIFAA International Clinic opening, 5 May 2026

PHOTOGRAPH TO INSERT

Korean delegation at Shifa International Hospital

Investment lines for the 2026–27 cycle — simulation centre, library modernisation and hostel upgrade — are carried into the priorities on the closing slide.

F6

Research, publications and academic branding

EJSMR moved from a university journal to a regional research programme

18 Oct 2025 — EJSMR workshop “From Novice to Researchers”

January 2026 — Scopus-indexed publication

18 Oct 2025 — Osh conference: first- and third-degree student diplomas

OCT 25 – MAY 26

EJSMR builds an external footprint

Memorandum with Eurac Research (Italy) in November; registration in the RSCI database under way from May 2026.

APR 2026

EJSMR Research Series delivered at five universities

Seminars at the International Higher School of Medicine, the International University of Kyrgyzstan (IUK-ISM), Asian International University (Kant), Royal Metropolitan University and in Student Town, plus an SPSS training programme in March.

2025–26 SESSION

Approximately 50 staff publications recorded

Including Scopus and Web of Science indexed articles and a co-authored international book on research methodology.

APR 2026

Student research results

Third place at the SURGX Olympiad 2026; the “Heirs of Medicine” team placed at the International Student Medical Skills Olympiad; participation in the first Presidential Assembly of the International Student Research Consortium.

2024–2026

EJSMR–JAIU Research Club

Ten student members under the Office's mentorship, running five research proposals — from AI in modern medicine to the intercultural adaptation of international students at JAIU.

ONGOING

Website and social channels

The jaiu.kg news portal carried more than ninety items over the session and remains the primary evidence base for this report.

F7

Cultural events and community engagement

The programme that makes a campus of nine nationalities work day to day

23 Sep 2025 — Day of the State Language

1 Oct 2025 — Garba celebrated on campus

Students in traditional attire during the Garba evening

23 SEP 2025	**Day of the State Language**	Songs, theatre and traditional dance
21 FEB 2026	**International Mother Language Day**	Cultural programme across language groups
4 MAR 2026	**Holi**	Celebrated campus-wide
18 & 21 MAR	**Nooruz**	Two events run by the Department of Humanities
2 JUN 2026	**Children's Day**	With the Regional Children's Hospital
1 OCT 2025	**Garba festival**	Indian cultural festival led by the student community
23 FEB 2026	**Defender of the Fatherland Day**	Ceremonial university event
6 MAR 2026	**International Women's Day**	Festive event, 6 March
29 APR 2026	**Kyrgyz applied arts master class**	Guest lecture and workshop
13 JUN 2026	**Graduation and convocation**	Class of LDi-1-21 and LDi-2-21

Under Article 20 the Annual May 5th International Day is a flagship of this Office; in 2026 the date carried the Kyrgyzstan–India cooperation meeting and the SHIFAA clinic opening.

00

Delegations and visits — the full log

Twenty-five engagements hosted at JAIU or joined abroad during the session

September 2025 – January 2026

25 SEP	Embassy of India — Second Secretary (Consular)
26 SEP	Delegation of the Republic of Uzbekistan
8 OCT	Dr L. Tejashwi Hiremarali, Head of Anatomy, India
16–17 OCT	Conferences in Kazakhstan and Bukhara (outbound)
23 OCT	Dr Muhammad Azam, Prepladder
23–24 OCT	Osh International Medical University (exchange)
14 NOV	OSHIMU leadership — OSCE organisation
18–19 NOV	CAMU Fergana conference (outbound)
6 DEC	Office of the Akyikatchy (Ombudsman)
12 DEC	CAIMU delegation, Rector Prof. Narymbetov T.K.
13 DEC	Dr Nadeem Zafar — faculty masterclass
16 DEC	Admission partners from Delhi
18 DEC	Erasmus+ Information Day, Osh (outbound)

February – August 2026

2 FEB	Official delegation, Republic of Korea
3 APR	Osh State University Medical Faculty
10 APR	Central Asian Medical University, Fergana (outbound)
14 APR	Stakeholders from India
17–18 APR	International Vision University, North Macedonia
26–27 APR	GEAC expert panel (UK / USA)
28 APR	Parents of a student from India
30 APR	Prof. Shrikant Verma — Anatomy, India
5 MAY	Kyrgyzstan–India stakeholders, led by Dr Sandeep Sharma
22 MAY	Dr Pritesh Kumar — surgery courses
24 MAY	Dr Puneet Singla — consultations at Shifa Clinic
26 MAY	SeohanCare, Republic of Korea
26 MAY	Specialists from Uzbekistan — endocrinology seminar

00

Performance against the Annual Work Plan

Assessed against the KPIs approved by the Rector, effective 1 September 2025

Work Plan objective	KPI / target	Achieved	Assessment
Partner university identification (Europe and Asia)	≥10 MOU/LOI by Nov 2025	7 by January, 14 by August	Met over the year
Double-degree framework development	Framework approved by Nov 2025	Caribbean memoranda signed Feb–Mar 2026	Partially met — framework still to reach the Academic Council
Erasmus+ accreditation	Application submitted	Institutional preparation complete; Information Day attended	Deferred to the 2026–27 cycle
WCIEC partnership — hostel upgrade	MOU signed; upgrade plan ready	Recruitment partnership active; hostel works not reported	Not evidenced this session
Accreditation coordination	National and international processes led	Three processes concluded	Exceeded
International student services	Orientation, welfare, adaptation programme	Parents' meetings, safety seminars, adaptation events delivered	Met
Investment in infrastructure	Clinic, simulation, library	SHIFAA clinic opened; 3D anatomy table installed	Met in part; library and simulation carried forward
May 5th International Day	Flagship annual event with 2+ international guests	5 May 2026 — India stakeholder meeting and clinic opening	Met
Scholarship programme	≥20 scholarships awarded annually	52 awarded, June 2026	Exceeded
Rankings submissions (QS, THE, Webometrics)	Annual data submission	Not reported this session	Carried forward

Three objectives are carried forward into 2026–27: Erasmus+ application, ranking submissions, and the hostel upgrade programme.

00

What did not work, and what it costs us

Reported honestly, because the next external review will test each of these

Public claims that cannot be evidenced	Our accreditation page states that the UK General Medical Council recognises JAIU as an approved institution. It does not accredit overseas schools. The homepage advertises “800+ alumni” and an “85% first-time success rate” for a university registered in June 2024. Every certificate link on the page is inert placeholder text.
No NMC sponsor note in the World Directory	The ECFMG and Medical Council of Canada notes are present; NMC is not. Given that India is our largest market and NMC's FMGL 2021 rules require 54 months plus a 12-month internship at the same institution, the position on the five-year track must be settled formally.
Erasmus+ application not filed	The Work Plan set the application as a Quarter 1 objective. Institutional preparation is complete and the Office attended the December Information Day, but no application was submitted in this session.
Ranking submissions not made	QS Stars, THE Impact, Webometrics and UniRank submissions were a stated objective under Article 4.4, with a target of at least one QS Star by 2026. No submission was filed in this session, so the university carries no ranked position into the recruitment cycle — the one deliverable on this list that costs us directly in the market.
Mobility remains small in volume	Two outbound students to Fergana and two inbound teaching staff from OshSU. Against a target of 15–20% participation, this is a start rather than a programme.

Each item is carried into the 2026–27 Work Plan with a named owner and a date.

PRIORITIES 2026 – 2027

Six commitments for the coming session

01 Correct every public claim within thirty days

Withdraw the GMC statement, correct AAOPO and AMSE, publish real certificate files, and publish the June 2026 state accreditation with its number and term.

02 Settle the NMC position and file the sponsor note

Establish formally whether the five-year track satisfies FMGL 2021, then align the prospectus, the World Directory entry and every agent contract to one answer.

03 File the Erasmus+ application in the 2026–27 cycle

The preparation is done; the submission is the deliverable. Target: KA171 international credit mobility with the Vision University partnership as anchor.

04 Convert memoranda into recorded mobility

Fourteen agreements now exist. The measure for next year is students and staff who actually travelled, with orders, reports and credit transfer on file.

05 Support the university through state re-accreditation

The 2026 term runs one year. This Office carries the international evidence — partner agreements, clinical bases abroad, recognition status — into the next submission.

06 Enter the rankings

QS Stars, Webometrics and UniRank submissions, with the data pack maintained by this Office as a standing annual task.

Dr. Dipak Chaulagain · Vice-Rector for International Relations and Investment · int_relation@jaiu.kg · +996 502 505 139
